List of UK distributor stocks at:

08 June 2018

We cannot take responsibility for the accuracy of these figures since they are supplied to us by our distributors.
Stock levels can vary hourly. Contact the distributor concerned by phone or e-mail to ascertain the precise level of stockholding.

NB: Not all distributors list the parts in the same format - beware the extra spaces when searching!

A '#' next to an IXYS UK Westcode part number denotes a device with Tq above the normal published range.
